Authorized Share Report

Shares Authorized
Stated and actual outstanding
Shares reserved
Shares available to issue

Proxy Summary

Reports reflect voting both by percentage voted and percentage held.
Questions are shown with voting totals for, against, and abstaining.
Voting is totaled both by shares held and by number of accounts.

List of Shareholders

Qualify and/or sort shareholders alphabetically, by shares held, date account opened and closed, state of residence and more...

Certificate List

Display issued and cancelled certificates
Sort by certificate or book entry issue date

Transfer Journal

Comprehensive record for each transaction
Issued or surrendered certificates
Detailed information for each debit and credit

Proxy List

Voting detail by holder
Ability to sort alphabetically, by zip code, etc.
Show holders, shares held, shares voted and voting pattern

First American Stock Transfer, Inc.

requires each company to pay a start up fee and an extra \$25.00 per month maintenance for issuer and/or shareholder access to the LinkStar Service.
